# Data Science and Machine Learning for Engineering Applications

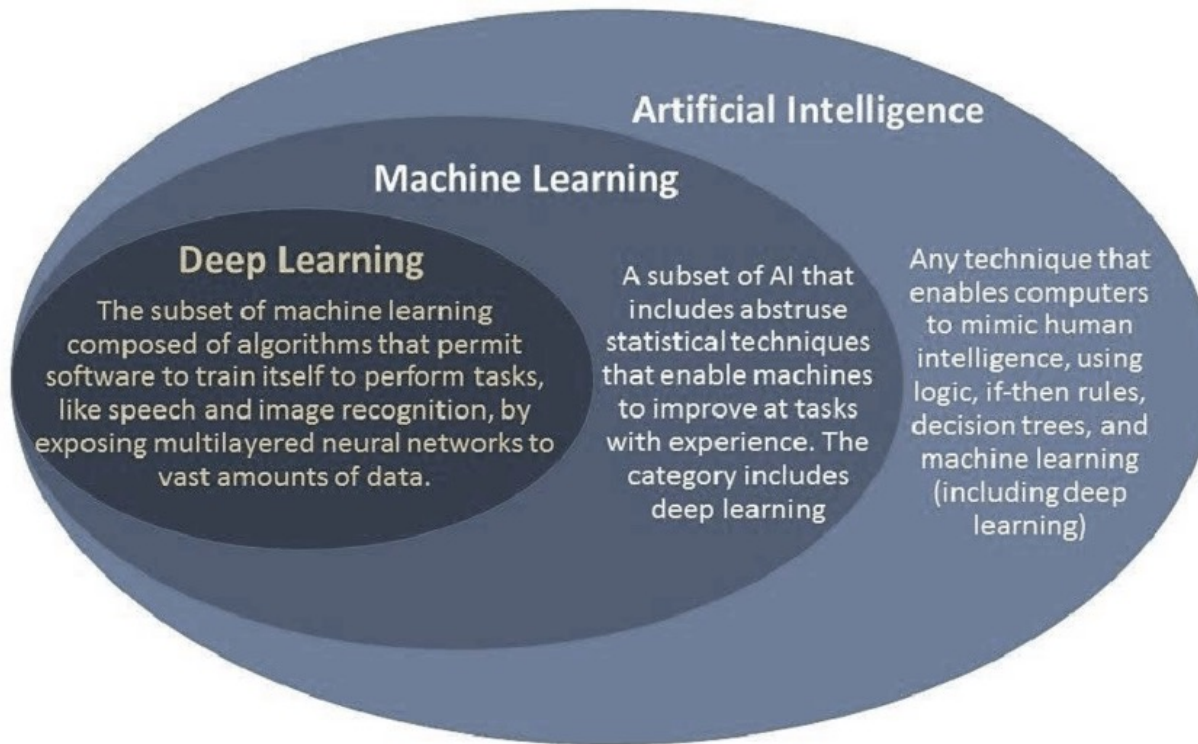

Introduction to Image Processing  
with Deep Learning

Salvatore Greco

DataBase and Data Mining Group

# What is Deep Learning?

# What is Deep Learning?

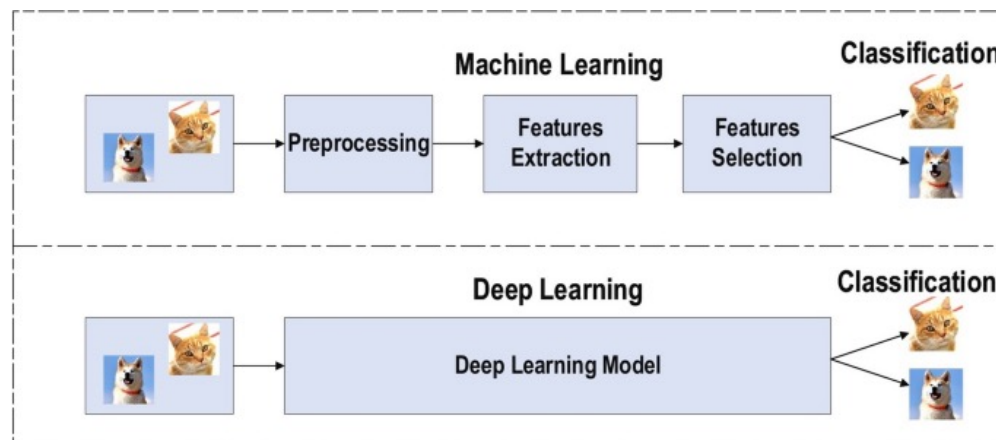

*[<https://www.ibm.com/cloud/blog/ai-vs-machine-learning-vs-deep-learning-vs-neural-networks>]*

# Deep Learning vs Machine Learning

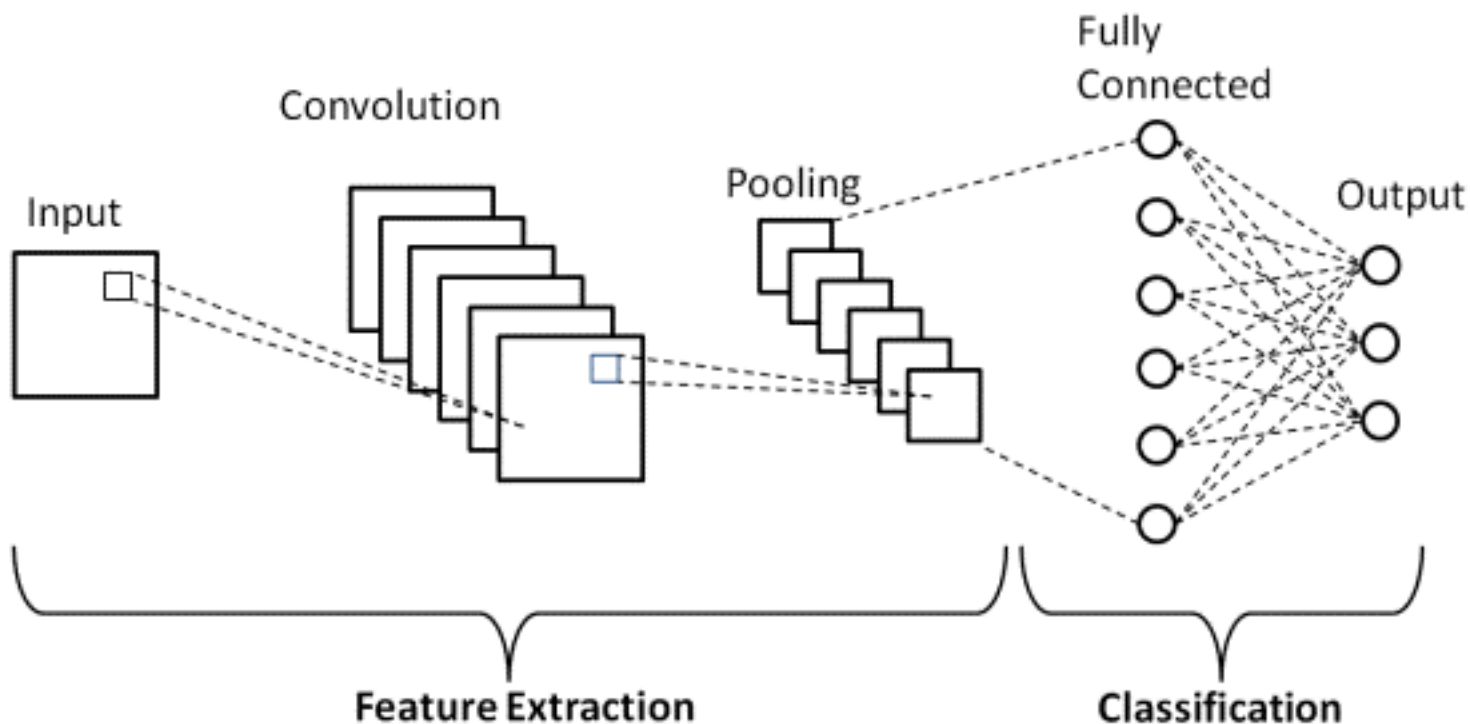

- It usually works with **large datasets**
- It is more suitable to process **unstructured data** (e.g., images, texts, audio)
- Deep learning automates much of the **feature extraction** process, eliminating some of the manual human intervention required
