- **(Opzionale) Favorite Name:** per connettersi rapidamente alla base dati in futuro. Click su **Save Favorite**.

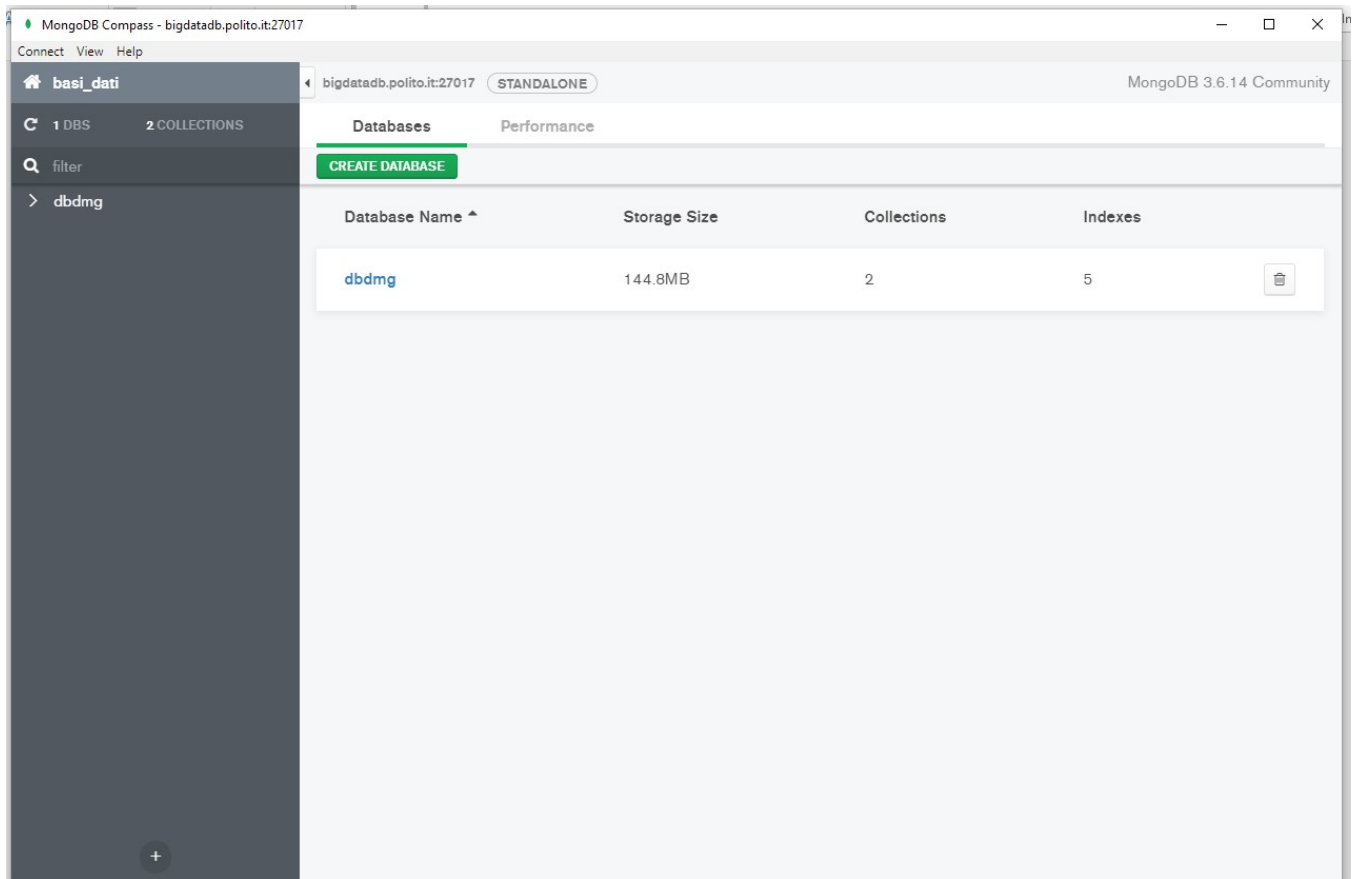

The screenshot shows a web interface with two main sections. The top section is labeled 'SSH Tunnel' and contains a dropdown menu with 'None' selected. The bottom section is labeled 'Favorite Name' and contains a text input field with 'basi_dati' entered. Below the input field are three buttons: 'DELETE FAVORITE', 'SAVE FAVORITE', and 'CONNECT'.

- Click su **Connect**.

NOTA: Per poter accedere al servizio, è necessario essere connessi alla rete, ma non da eduroam.

- Selezionare: **dbdmg**

- Accedere alla base dati: **Parkings**
